Printed in Great Britain by Henry Ling Ltd., at the Dorset Press, Dorchester, Dorset

CONTENTS

NUMBER 1

Review articles

1 Therapeutic progress—Review XI
Drugs in asthma
I. D. Green

15 Therapeutic progress—Review XII
Treatment of multiple myeloma
J. E. Oakley and I. M. Franklin

Research and reports

21 Stability of cefsulodin aqueous buffered solutions and some intravenous admixtures
V. Das Gupta and K. R. Stewart

29 Fate of chlorbutol during storage in polyethylene dropper containers and simulated patient use
D. G. Holdsworth, M. S. Roberts and A. E. Polack

41 Noxythiolin—high-performance liquid chromatographic assay and stability
W. J. Irwin, A. Li Wan Po and J. S. Stephens

53 An audit of therapeutic drug monitoring procedures—use of theophylline assay services
C. A. D'Souza, W. T. Friesen, R. J. von Witt, G. R. Taylor and M. S. Roberts

61 Microbial contamination of pharmaceutical injections at the site of administration
W. Whyte, T. E. Hilditch and N. D. S. Bell

69 **Book reviews**

NUMBER 2

Research and reports

75 Factors influencing the stability of ascorbic acid in total parenteral nutrition infusions
M. C. Allwood

87 Effect of electrolytes in the presence of some trace elements on the stability of all-in-one emulsion mixtures for total parenteral nutrition
L. Iliano, M. Delanghe, H. van Den Baviere and A. Lauwers

95 Individualization of Factor VIII dosage
A. Messori, G. Longo, M. Morfini, G. Donati-Cori, M. Matucci, S. Ruffo, E. Tendi and S. Vannini

105 Storage of mixtures for total parenteral nutrition—II. Microbiological control of large volume TPN mixtures
K. Nordfjeld, M. Rasmussen and V. Guanø Jensen

113 Particle size stability of intralipid and mixed total parenteral nutrition mixtures
T. L. Whateley, G. Steele, J. Urwin and G. A. Smail

From the Drug Information Centres

127 A study of the enquiry workload in a regional drug information centre
M. Brandon

133 Drug Information Services: how health care professionals use the information provided
R. P. Baker and G. R. Gallo

139 Analysis of drug information queries received by the pharmacy in a large psychiatric hospital
J. D. G. O'Hare, H. A. McKee and P. F. D'Arcy

143 **Letter to the Editor**

145 **Book review**

NUMBER 3

Review articles

147 Therapeutic progress—Review XIII
Advances in the treatment of poisoning I.
D. A. R. Boldy, B. M. Buckley and J. A. Vale

161 New Series
Host factors affecting drug disposition
D. B. Jack

163 Factors contributing to variability in drug pharmacokinetics
I. Absorption
P. G. Welling and F. L. S. Tse

181 Compatibility and stability of TPN mixtures in Big Bags
M. G. Allwood

Research and reports

199 Lead-induced convulsions in young infants—a case history and the role of GABA and sodium valproate in the pathogenesis and treatment
M. A. Healy, M. Aslam, P. G. Harrison and N. P. Fernando

209 Effects of ascorbic acid and disodium edetate on the stability of isoprenaline hydrochloride injection
G. Smith, K. Hasson and J. A. Clements

217 Effect of sterilization by autoclaving on the stability of eye drops of pilocarpine hydrochloride and physotigmine sulphate
A. E. Mair and J. H. McB. Miller

225 Oral cholecystographic contrast media—a comparative study
G. M. Roberts and M. R. Jones

231 Clinical evaluation of theophylline binding to plasma protein in bronchial asthmatic patients
I. Johno, Y. Ogura, T. Hasegawa, Y. Yokochi, M. Hasegawa, S. Kitazawa, K. Takagi and T. Satake

241 Stability of noxythiolin solutions stored in plastic and glass containers
D. F. McCafferty, K. Furness and L. Anderson

Notes

249 Effect of stress on the gastric emptying of capsules
L. C. Kaus and J. T. Fell

253 Use of a warfarin dose prediction method
L. H. Chua, S. Dobrzanski and P. Taylor

257 Theoretical model of gastrointestinal absorption of lead
M. A. Healy

263 Evaluation of a high pressure liquid chromatographic technique for metoclopramide analysis
S. M. Bryson, E. M. McGovern and L. M. Gilbert

267 **Book reviews**

NUMBER 4

Review articles

271 Therapeutic progress—Review XIV
A review of the treatment of migraine
S. Nightingale

283 Beta blockers and fatigue
P. E. Hall, M. J. Kendall and S. R. Smith

Research and reports

293 Storage of mixtures for total parenteral nutrition III. Stability of vitamins in TPN mixtures
K. Nordfjeld, J. Lang Pedersen, M. Rasmussen and V. Gaunø Jensen

303 Serum and sputum concentrations of azlocillin, cefoperazone and ceftazidime in patients with cystic fibrosis
N. Martini, M. Agostini, G. Barlocco, L. Bozzini, L. Castellani, A. Messori, G. Scroccaro and G. Mastella

From the drug information centres

311 Design and preparation of a formulary—guide to the prescribing of medicines
A. C. Tugwell, D. R. Thurston and C. W. Barrett

321 Drug information inquiries—who asks what and where are the answers?
N. C. Morrow, P. F. D'Arcy and L. W. Pielou

333 Printed information for patients receiving PUVA therapy
N. C. Morrow

Questions and answers

341 Can drugs influence the bone healing process?
E. K. Alpar

Notes

345 Computer education for clinical pharmacy students—a program for use in teaching
A. E. Polack, E. A. Kowaluk and G. M. Peterson

349 A rapid, reversed phase liquid chromatographic technique for the simultaneous determination of carbamazepine and its 10, 11-epoxide
R. Panesar, C. Edwards and R. Purkiss

353 Phenoxyethanol absorption by polyvinyl chloride
M. G. Lee

357 Maintenance therapy for duodenal ulcers—a trial comparing cimetidine with a prostaglandin synthetase promoter
M. J. Dew, A. D. Harries, P. Hughes, S. Keeling, V. Fenton-May and J. Rhodes

361 **Author index**
